Extra Beds

We have 2 fold out beds and 1 full size single bed. The extra full size single bed can be added to the lounge in Stoneheights or Stoneyard. The fold out beds can fit in either the twin room or family room in Stoneview, or lounges in Stoneyard or Stoneheights (some guests have the fold out bed & the extra single bed in the lounges and use the smaller properties as a big bedroom suite). Please ask if you need help working all this out !!

Travel Cot - We also have a travel cot and high chair.
